## Lesson Test

### Unit 19, Lesson 2: Reading

---

**Task 4: Sequencing** Put each conversation in the correct order. The first one is done for you in each part.

#### Part A

\_\_\_\_\_ Mrs. Johnson: We also treat wounds, give pills and injections, and answer questions.

1 \_\_\_\_\_ Mrs. Johnson: I've been a nurse for over twenty years. It's a good job.

\_\_\_\_\_ Mrs. Johnson: Well, the most important thing we do is help doctors with their patients. And that's just part of it.

\_\_\_\_\_ Alex: Really? What other things do you do?

\_\_\_\_\_ Alex: That's very interesting. What do nurses do?

#### Part B

\_\_\_\_\_ Mom: What did the doctor say?

\_\_\_\_\_ Mom: Oh no! Is it serious? Did he go to the hospital?

\_\_\_\_\_ Brandon: Yes, they took him to the emergency room in an ambulance.

\_\_\_\_\_ Brandon: He 'll probably put his leg in a cast, because the bone above his knee is broken. But he'll be okay.

1 \_\_\_\_\_ Brandon: Mom! Ryan fell playing baseball at school today.

#### Part C

\_\_\_\_\_ Ellen: Jesse, you'll get sick and have to go to the hospital!

1 \_\_\_\_\_ Ellen: Jesse! Come inside! It's cold!

\_\_\_\_\_ Ellen: But you aren't wearing gloves. Aren't your fingers numb?

\_\_\_\_\_ Jesse: OK! I don't want that! I'll come inside.

\_\_\_\_\_ Jesse: It doesn't feel cold to me!

\_\_\_\_\_ Jesse: Well, they're a little numb, but I'm okay

## Lesson Test

### Unit 19, Lesson 2: Reading

---

**Task 5: Matching** Match each question with the answer. The first one is done for you.

- |  |   |
|--|---|
| 1. Doctor, is my son well?                                   | Take two now, then one in the morning.                |
| 2. John fell and hit his head very hard.<br>Will he be okay? | Probably, but we'll have to do an x-ray of his brain. |
| 3. Is there serious damage to the bone?                      | Yes, he's fine. It's a minor sickness.                |
| 4. He's not in the emergency room.<br>Where is he?           | No, it's a minor injury. We'll treat it now.          |
| 5. How many pills do I need?                                 | The patient was moved to another hospital.            |

## Lesson Test

### Unit 19, Lesson 2: Reading

---

**Task 6: Reading Comprehension** Read the story. Then answer the questions. Circle the correct answers.

One morning Rebecca woke up and didn't feel well. She was too tired to get out of bed and didn't want to go to school. "Mom," Rebecca called out.

"Yes, Rebecca. What do you need?" her mother said from the other room.

"I don't feel good. Can you come here?" Rebecca replied. Her mother came into her bedroom and touched her head. She was very hot and couldn't breathe well.

"We need to call the doctor. You're too hot." her mother said, picking up the phone. A minute later, Rebecca could hear the nurse asking her questions. After her mom hung up the phone, she said, "Get ready to go. We're going to the emergency room."

When they got to the hospital, a nurse checked her temperature and took x-rays. Then, the doctor came into the room and said, "It's not too serious, but you need to stay in bed and rest." He gave her an injection and some medicine and told her to take two pills twice a day.

Rebecca's mom took her home. "You're going right to bed, Rebecca."

"Yes, Mom." Rebecca replied. "I guess I can't go to the movies with my friends."

"No!" her mom answered. "If you can't go to school, you can't go out!" Rebecca went to bed and was so tired she slept the rest of the day. After a week, she felt much better and finally went back to school.

1. What is this story about?
  - A. a worried mother's feelings
  - B. what nurses do at the hospital
  - C. a visit to the emergency room
  - D. how Rebecca got hurt
2. What was wrong with Rebecca?
  - A. She had a fever.
  - B. She had an injection.
  - C. She had a wound.
  - D. She had a serious illness.
3. What did Rebecca do after seeing the doctor?
  - A. called her friends
  - B. saw a movie
  - C. slept a lot
  - D. went to school
