Task 7: Reading Comprehension Read the e-mail. Then answer the questions. Circle the correct answers.

Hi Isabelle,

How are you? I haven't written since we moved to our new house. I hope you'll come and visit soon. You'll like it here. The house is near a big lake and we go swimming often. Our new neighbor, Daniel, is a nice old man who is teaching my brother how to fish. Every Saturday, they spend the day together at the lake, but they rarely catch anything. Last week my brother spilled the whole can of insects that he uses to catch the fish, so he came home early. It's unclear to me if he really wants to catch the fish or not! I think he just enjoys spending time with Daniel! Do you know how to fish? When you come to visit, we can go, too; however, my brother may say that the fish won't like a big group of people there. He'll have another excuse why he won't catch anything!

Well, I better go. Let me know when you can come and visit. Maybe we'll eat fish for dinner!
