Hi Sara!

I have good news for you! Right now I'm at the hospital with my nine-pound baby brother! He wasn't due for another five days, but he came early. Mom and Dad are so happy to have a new baby. My parents wanted to wait until my dad graduated from college before having another child. But my mom got a very good job as a chemist, and my dad only has one term left. My mom does not have to start her new job until January, so this was a good time to begin the next chapter of their lives.

I have to say I am happy to have a baby brother. I did not think I would like it because I liked being an only child, but he is so cute. I'll miss him when school starts again. I hope you can come see him soon!

Love,

Amy
