Unit 20, Lesson 4: Reading

Task 6: Reading Comprehension Read the story. Then answer the questions. Circle the correct answers.

Danny had never thought much about the neighborhood where he lived before. There was always trash in the street in front of the houses. It looked dirty all the time. Then he was part of a project that studied why people polluted. The team on the project wanted to know why people drop their trash on the street instead of recycling it. The study helped Danny become interested in where he lived. He wanted to do something about the trash. He asked his neighbors to help clean up the street. They spent a week working together. They put the paper, bottles, and cans into bags and recycled them. When they finished, the neighborhood looked beautiful. Everyone thanked Danny because he did an excellent job and helped make the neighborhood much nicer.
