### Unit 20, Lesson 1: Reading

---

**Task 6: Reading Comprehension** Read the e-mail. Then answer the questions. Circle the correct answers.

Hi Hector,

How are you? I've been gone for a couple weeks. But I'm home now. I just came back from my grandparent's wedding anniversary party. They have been married for forty-four years! They met each other in my grandfather's shop. Every day he would go to work where he sold fruit and vegetables. My grandmother was one of his customers. They would talk to one another, and she would always make him laugh. He could tell her anything, and she always understood him. They became close friends, and then they got married.

The wedding anniversary party was small. My parents, aunt, cousins, and some close friends came. Altogether they have a son and a daughter, two grandsons besides me, and a granddaughter. It was so exciting to see my cousins. The last time I saw them was four years ago! But more importantly, it was great to see my grandparents. They seem so happy. I hope that I can be like them and find someone to share my life with someday.

When you have time, call me. We can go play basketball!

See you soon.

Ted
