**Task 6: Reading Comprehension** Read the e-mail. Then answer the questions. Circle the correct answers.

Dear Charlie,

I know we planned to study together at the library on Monday, but we won't be able to do that. I walked by the library this morning and saw a big sign on the door. The sign said that they're closing early on Monday. They're having a party for their employees. I have a school presentation to work on anyway, so I think it would be best if we don't meet on that day. We can meet on a different day though. I learned that the library has a small study room we can use if we make an appointment. If next Monday is a good day for you, I can call and ask about it.
